12. The minimum bet is \$25 and the maximum bet is \$500 in all rounds.
13. Insurance must be indicated by the wave of a hand if you choose not to take it. The dealer will start at the button and go in a clock wise direction to ask for insurance. Either you place your insurance bet in the appropriate area or wave off the insurance. Once an insurance bet is made, it can not be changed. When requesting even money, you must have at least 1/2 your wager, in chips, in front of you.

17. Once you have tucked your cards under your bet you may not pick them up again.
18. If you choose to tuck a blackjack, your hand becomes a "21" and will pay even money only if it wins.

If at the end of ten seconds, you have not acted, the following will occur: If you have not made your wager, it automatically becomes \$10. If you have not hit your hand or tucked your cards, it automatically becomes "stand".
21. A chip countdown will occur after the 17th hand is played.
22. All disputes must be brought to the attention of the Tournament Officials immediately and will be resolved prior to any player leaving the table.
