We believe that a connection to the natural environment nourishes the soul. Our JW Garden produces fresh produce and herbs which are used for ingredients in recipes, cocktails, spa treatments and more. Make sure to visit the garden while you are staying with us. It is located outside our Starbucks patio near the Gazebo. Our resort grounds also provide three Serene Spaces to immerse yourself in our natural surroundings and connect to what matters most. The Zen Garden, Nature Swing and Flow Swing locations are noted on your property map.
